

Charles H. Givens

November 12, 1933 – May 31, 2025

With gratitude and admiration, we honor the memory of our **treasured friend and longtime LIHHS treasurer, Charles Givens**. Over more than twelve years on the LIHHS board, Charles guided the organization through challenging financial waters with steady judgment, generosity, and good humor. A man of wide interests and quiet dedication, Charles gave his time and talents to many Lopez institutions, including the Lopez Library, the Lopez Museum, and the San Juan Preservation Trust. His devotion to community matched the devotion he showed his family and friends. One of this year's Diamond-level sponsorships has been given anonymously in Charles' memory: a heartfelt tribute to a life lived in service and friendship.
